Asunto: RE: RF connector & Cable assembly accept customized design

Dear Sir or Madam,

We are a RF connector & cable assembly manufacturer in China. Founded in 2003, we have more than 17 years experience in designing & producing RF components.

Our main customer include HuaWei and some domestic and Russia military industrial enterprise.

Product certification: RoHs
Factory certification: ISO 9001:2000, ISO14000
Product Working Frequency Range: 3G~40GHz

We can:

1. Both make ODM & OEM,
2. Supply free samples.

For more information, please feel free contact with me.

looking forward to cooperating with you.

Thanks & Best Regards!
